[Send](#) Good evening,

I am trying to contact by phone but is not possible,

I need information about visa suspension for Spanish people, I have already noticed that Spanish people have same restrictions than Italian.

What is the procedure to get the visa now?

Does people need to go to Madrid before travelling or can they apply on line before?

Thank you.

I need to know as soon as possible as my family is travelling this week.

Namaste! Good Evening,

Below, please find the information on:

Notice Regarding the Suspension of Visa-on-arrival and Entry-Exit Control Measures
